

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF TEXAS
WACO DIVISION

UNITED STATES OF AMERICA	§	
	§	
vs.	§	NO: WA:19-CR-00109(1)-ADA
	§	
(1) KADEN MARQUIS ALEXANDER	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On February 14, 2024 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) KADEN MARQUIS ALEXANDER, which alleged that Alexander violated a condition of his supervised release and recommended that Alexander 's supervised release be revoked (Clerk's Document No. 66). A warrant issued and Alexander was arrested. On February 26, 2024, Alexander appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Alexander appeared before the magistrate judge on March 5, 2024, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on March 20, 2024, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the original offense

and the intervening conduct of Alexander, the magistrate judge recommends that this court revoke Alexander supervised release and that Alexander be sentenced to imprisonment for NINE (9) months, with no term supervised release to follow the term of imprisonment (Clerk's Document No. 78). The Court requests that the Bureau of Prisons provide the Defendant with mental health and substance abuse treatment.

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On March 5, 2024, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 75). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 78) is hereby **ACCEPTED AND ADOPTED** by this court.

IT IS FURTHER ORDERED that Defendant (1) KADEN MARQUIS ALEXANDER's term of supervised release is hereby **REVOKED**.

IT IS FURTHER ORDERED that Defendant (1) KADEN MARQUIS ALEXANDER be imprisoned for NINE (9) months with no term of supervised release. The Court requests that the Bureau of Prisons provide the Defendant with mental health and substance abuse treatment.

Signed this 21st day of March, 2024.

ALAN D ALBRIGHT
UNITED STATES DISTRICT JUDGE
